

Performance Evaluations “101” Calendar

This one hour workshop, led by Melany Felton and Charon Mckinley, takes Supervisors and Managers through the “nuts and bolts” of Success Plans and the Performance Evaluation process.

Because this information is covered within the Personnel Primer course, this training will now be conducted upon departmental request.

Organization Development & Training Division

Our mission is to constantly build organizational effectiveness by providing the material and conceptual resources needed to improve performance and enhance the quality of work life.

We are committed to the continuous growth and development of our people.
